Jack up vessel JB114 re-tasked
at Gwynt Y Mor Offshore Windfarm
Duration: Commencing August 4th 2013 until further notice

Please be advised that the jack up vessel, JB-114, will be re-tasked from August 4th 2013 to carry out infield foundation drilling works at various locations within the boundary of Gwynt Y Mor Offshore Windfarm .The JB-114 will be supported by the AHT Union Diamond and the AHT Smit Barracuda
When on location this vessel will require a 500m exclusion zone to be observed at all times. During transit to/from the port of Liverpool the appropriate clearance for a tug and tow should be observed. The vessel will monitor VHF CH 16 at all times.
