

# NOTICE TO MARINERS

## Gwynt Y Mor Export maintenance

Please be advised of this notice advising mariners of the positioning of 2x jack up barges Haven SearSeven and Haven Seariser 4 for Gwynt Y Mor cable project. The barges will carry out the works on the Gwynt Y Mor project. The work will start from approx. 30<sup>th</sup> of July 2024 and is scheduled to last up to 12 days subject to weather.

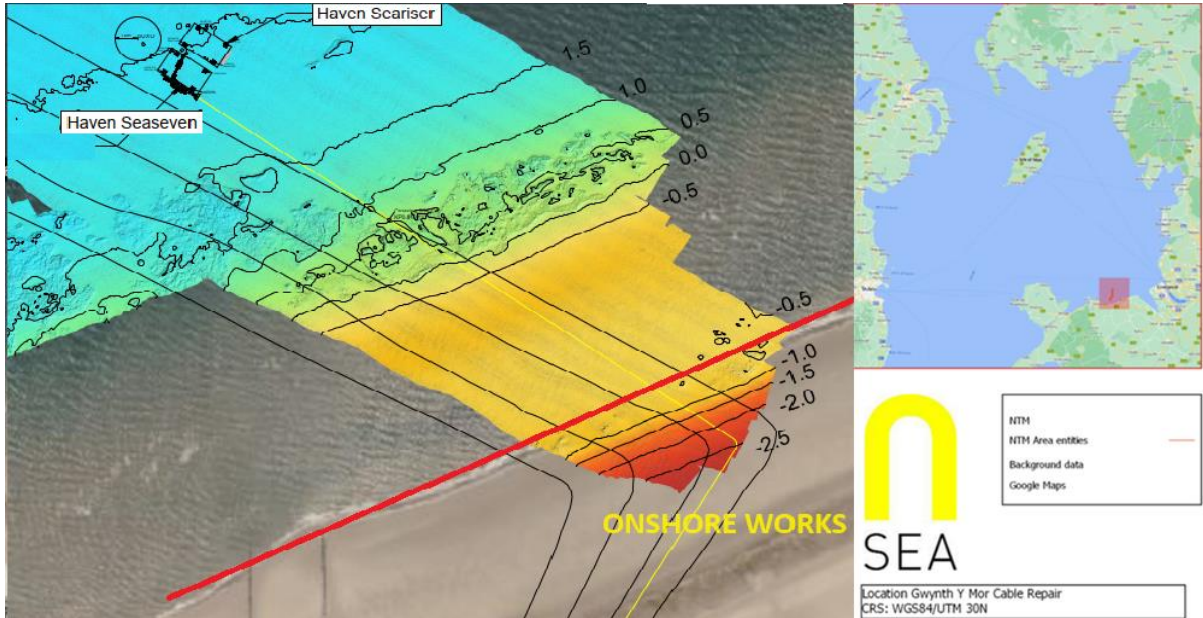

Figure 1 – Gwynt Y Mor Project Area

### Nature of Operations offshore

For the operations of N-sea the jack up barges will be used carry out maintenance work on one of the Gwynt Y Mor export cables – barges will be setup around locations 53° 18.1588 N / 003° 34.4364 W. We kindly ask that all vessels in the local vicinity observe a minimal distance of 500m stand-off at all times.

During the operation, the barges will be positioned on a fixed point and supporting vessels will sail to and from the barges. The barges and vessels will display prescribed lights and signals for operations and will be monitoring VHF Channels 16 and 12.

### Haven SeaSeven and Haven Seariser 4 (Jack up barge)
