

NOTICE TO MARINERS

Gwynt Y Mor Export maintenance

Please be advised of this notice advising mariners of the positioning of 2x mooring clumps on the Mor cable project. The clumpes are placed to be used as anchorage for the supporting vessels and will be there to late August on position or if changed an updated NtM will be sent out.

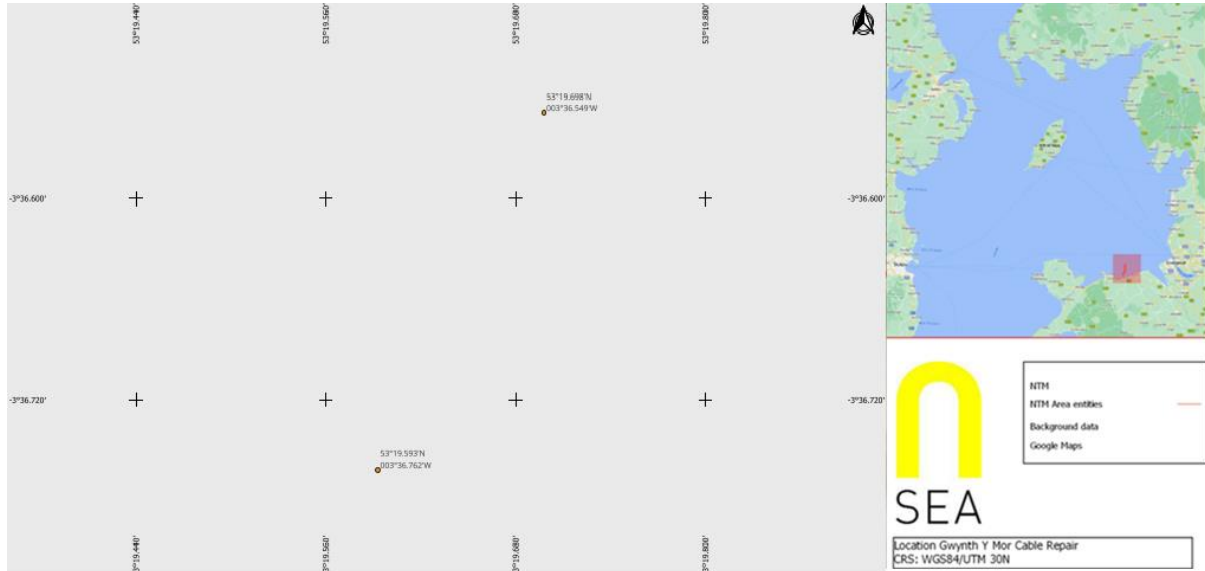

Figure 1 – Gwynt Y Mor Project Area

Nature of Operations offshore

For the operations of N-sea the supporting vessels needs to be stand-by near the jack up barges. The mooring clumps are installed for this purposes and on the buoys AIS beacons are installed.

Locations of these clumps is:

No 1.	53°19.698N	003°36.549W
No 2.	53°19.593N	003°36.762W
